## The Disch

Welcome back to Brookview Golf Course for the 2009 season and thank you for your patronage. 2009 will be an exciting year at Brookview Golf Course for a number of reasons. First, we are very excited to have been honored by Golf Digest as one of the Best Places to Play for 2008-2009. Brookview received a 4 star rating, which is listed as

“Outstanding”.

2009 also marks our 40th anniversary. The golf course was built in the 1920's and remained a private country club until the city of Golden Valley purchased it and took over the operations in 1969. There is a tremendous amount of history at Brookview and we plan to celebrate our 40th all season long. Look for more information in this newsletter. I am also excited to announce that Brookview will be hosting two MNPGA Junior Golf Tournament's in July that will bring junior golfers to Brookview from all across the state. The Regulation tournament will be held on Monday, July 20th and the

Par 3 tournament will take place on Wednesday, July 15th. Mark your calendars for Wednesday, May 13th: For the first time in years Brookview will host a “Demo Days” at the Driving Range from 4pm to 8pm.

Representatives from Callaway, Titleist, Cobra, Orlimar, Taylor Made, Ping, and Bridgestone will be here and you will have the opportunity to try out their latest equipment and if you are in the market for new clubs there should be some attractive pricing. Look for new cart paths on parts of the golf course this year and see if you can notice what is missing from hole #17. We also hope you enjoy the lilac plantings that were done last fall along Highway 55, on the 15th hole. Please stop in the Administrative office and introduce yourself to Brett Johnson, our new Administrative Assistant. This is Brett's 5th season here and we are pleased to have him join us on a full time basis. As always, we look forward to seeing you on the golf course and are hoping for an excellent year. Again, thank you for your patronage, I hope to see you soon!

Ben Disch, Manager

## Meet The Pro's

### About the Golf Pro...

**Michael Turnbull,**  
PGA Professional & Coach

Michael Turnbull, Brookview's Head Golf Pro, has been teaching golf since 1977. A three-time winner of the Minnesota PGA Junior Golf Leader award, he also served as the PGA Head Professional at Balboa Park GC in San Diego and at Baker National GC in Medina, Minnesota. He's been at Brookview since 2003.

#### *Mindful Golf Lessons -*

Michael emphasizes learning by doing, rather than thinking about doing. He teaches you to treat every shot you take like a lesson. You won't have to memorize a series of movements or a lot of instructions. Students will have many choices about how they want to swing a golf club, instead of trying hard to swing the "right" way. The goal of Mindful Golf is to give you more confidence as a learner and performer, so you can play golf with more freedom and creativity.

### About the Golf Pro...

**Matt Just,**  
PGA Professional

#### *Teaching Philosophy*

Each student is an individual with unique abilities to learn and progress. Matt's emphasis is on understanding the student and assisting with the learning of their distinctive swing shape, which compliments their body type. To analyze individual's swing preferences, Matt uses "TPI" assessments, a club fitting chart and video swing analysis.

#### *Teaching Approach*

Teach each player an efficient golf swing by adapting to each student's learning style. Students will receive clear and thorough feedback and a roadmap to reach goals.

### About the Golf Pro...

**Kyle Fett,**  
Assistant Golf Professional

*Teaching Philosophy*—Successful golf starts with a successful short game. Most players will head out to the driving range and hit 60 balls with a driver. But when we actually think about it, we are only hitting a driver an average of 12 times on the course. The rest is left up to your short game. So why don't we practice our short game? We all want to see the instant distance that a driver offers. But if you come see me I will show you how practicing your short game and focusing on controlling the ball can offer you a much lower score and a more enjoyable golf game.
