WINTER 2013

January 10, 2013

The 'Disch'

Greetings and happy 2013 from Brookview Golf Course! I hope this letter finds all of you in good spirits and health. If you are anything like me, you are in full anticipation of warmer weather and the approaching golf season. While we are still a ways away, there are a number of things to start getting excited about!

On the golf course in 2013, you will notice a number of improvements. All of the bunkers on the 4th hole of the Regulation Course were reconstructed over the course of the season and were completed and in play by season's end. We think they turned out great and welcome your feedback.

Our golf maintenance crew also completed improvements to the 2nd hole on the Regulation Course. Two of the bunkers on the front right of the green had

been completed in 2011 and this past fall work was started on the large bunker on the left side of the #2 green. That bunker was completed by season's end and will hopefully be well received by all of you this year.

Another exciting improvement is the creation of a new tee box on Hole #2. Work began in September and by October the grass had begun to grow. The new teebox will increase the length of Hole #2 by 20-30 yards, helping the hole to play close to 500 yards, and should open by late spring. We can't wait for you to try it out!

As always I would like to thank you for your patronage and remind you that I can always be reached at 763-512-2315 or bdisch@brookviewgolf.com

See you soon! ~Ben Disch
