### The Disch

Greetings! The other day I was asked what makes Brookview special. My answer was an easy one, and one that I have been asked many times. I believe what makes Brookview special is our location, the conditions of the golf course, and the people, just to name a few. While our location is a wonderful asset and our staff takes a tremendous amount of pride in what we do and the product we deliver, it's truly our passionate and loyal patron and customer base that makes Brookview special. I'd personally like to thank all of you for purchasing a Patron Card for the 2014 season. All of us here value your patronage and your input.

As we approach the start of the season and springtime, it is always so enjoyable catching up with all of you as you're stopping in as well as seeing new faces and meeting new people. We have strived to build relationships with you and hope that the feeling is contagious, you continue to call Brookview your "home course", and introduce your friends and family to what we have to offer. 2014 is an exciting time here at Brookview, and we are looking forward to hearing your golf stories, seeing you soon, and getting back on the course! I can always be reached at 763-512-2315 or [bdisch@brookviewgolf.com](mailto:bdisch@brookviewgolf.com).  
Ben Disch  
Brookview Manager

## TEE TIME RESERVATIONS

Brookview Golf Course & Lawn Bowling

# Lawn Bowling comes to Brookview

Brookview Golf Course will be adding Lawn Bowling to its list of amenities in 2014. Construction will begin in April 2014, and a grand opening will be hosted in mid-August. The Lawn Bowling green will be constructed on the north side of the building, replacing the small parking lot.

The goal of the game is to get more of your team's bowls (weighted balls) closer to the jack (small white ball) than your opponent – similar to bocce ball. However, this game poses unique challenges and different rules.

Teams can be anywhere from one to four players and games usually consist of 14 or more rounds.

Like bocce ball, bowls come in sets of four and are heavy, but bowls are not spherical as bocce balls. Instead bowls are somewhat elongated and hold more weight on one side. Therefore when you roll the bowl, it will never follow a straight path but instead curve to whichever side has the emblem on it.

The lead player sets down a small mat before rolling the jack. Each player must roll with one foot on the mat.

Once all bowls have been rolled, the scoring begins. The team with the bowl closest to the jack earns one point. If that team has other bowls that are closer to the jack than any of their opponent's they continue to earn one point for each bowl closer. But as soon as the opponent's bowl is the next closest to the jack the scoring ends.

The winning team then resets the mat, rolls the jack and starts the next round. Games can either be played based on a certain number of rounds in which the team with the most points at the end wins or by score in which the first team to reach the set score wins.

## Lawn Bowling Fees:
