### The 'Disch'

Greetings and happy 2015 from all of us at Brookview. I hope this finds you well, wherever you are, and in anticipation of another great season.

Each year brings its own challenges and excitement, and last season was quite interesting. We had a late start followed by the flood in June, which set us back a bit. Once we recovered we were fortunate to end up with a decent August-October, and play was good. We added a full liquor license in June and the new Lawn Bowling facility in August. Needless to say, both additions were extremely successful and well received.

For this offseason, we've added some winter recreation opportunities as we continuously look to make Brookview a year-round destination. This winter we are grooming

trails and offering fat biking, cross country skiing, skijoring, and winter walking and running. The grill will be open Friday, Saturday, and Sundays, weather permitting. We'll also be hosting two fat bike races—one in January and one in February. Information can be found at [www.brookviewgolf.com](http://www.brookviewgolf.com).

One last exciting piece of news: We have added a deep fryer, which means you'll be able to purchase french fries and more in 2015!

As always, I would like to thank you for your patronage and remind you that I can be reached at 763-512-2315 or [bdisch@brookview.golf.com](mailto:bdisch@brookview.golf.com). See you soon!
